5th July 2017

For Parents/Carers of Current Year 5 Pupils

Dear Parents/Carers,

Residential Visit – June 2018

This year we are delighted to be offering children in Year 6 the exciting opportunity to participate in a residential visit to Skern Lodge in Devon from Friday 22nd June to Monday 25th June 2018. From our experience Year 6 thoroughly enjoy a residential visit. The visit to Skern Lodge will include a range of activities using the site and local beach environment. This trip will suit all pupils as the activities are optional and the staff at Skern will accommodate a range of abilities and confidence.

The school will be subsidising this visit, leaving a charge to parents of £222 for the four day course. This will cover transport, food, staffing, insurance and accommodation. This year there is a 20% reduction available for parents who have registered and are in receipt of 'Free School Meals'.

To secure a place for your child, a £50 non-refundable deposit is required **no later** than Monday 11th September. Payments can be spread over a period of time with the final payment required by March 12th 2018.

Ideally we would like all pupils to attend. In the past, children who have chosen not to go, have been disappointed at the time of the residential visit. We are very happy to support any pupils regarding the visit to Skern Lodge. We know that some families have financial challenges and as a school we do not want this to be the reason for your child not being able to attend. If this is case please get in touch, we will treat your contact with confidentiality.

We are holding a short information session for parents / carers and pupils about the visit to Skern Lodge on Thursday 13th July at 5.00pm. You can also visit <http://www.skernlodge.co.uk/> to find out more.

Yours sincerely,

S. Jones

Deputy Headteacher
