

PlayPals Newsletter

April 2018

Changes within PlayPals

We are busier than ever at PlayPals and have been investing in making PlayPals the best it can be for the children.

The new table tennis table is very popular and despite only having it a few weeks the children have asked to play with it most sessions. We have also got two new Chromebooks, the children can log onto different usernames depending on their age meaning we can tailor what is available depending on the age of the child. We are now looking at improving our range of outside toys ready for the summer.

Holiday club

We had a fantastic time during our Easter holiday club, the children were brilliant and it was lovely to have some new children starting with us. May half term holiday club letters will be being sent out this week, summer holiday club letters will be sent out in June.

Parking

No parents are permitted to park in any of the school car parks when dropping off or collecting children. The top car parks are for school staff only and the bottom car park must be clear at all times for deliveries.

Food

We provide breakfast and an afternoon snack every day, please do not bring in food for your child to eat at PlayPals as we are only able to have certain food in our kitchen due to allergies.

Stay and play

In July we will be having another stay and play session, details to follow.

If for any reason your child will not be attending a session that has been booked at PlayPals please let us know by calling or texting us on 07720212417.

Places for September

Paperwork regarding places for September will be sent out in June. Children that attend PlayPals will be guaranteed their current sessions again in September, any changes to sessions will be allocated by Robyn in July.
