Building Blocks

SUPPORTING PARENTS IN THEIR CHILD'S FIRST YEARS

Being a parent or carer can be a rewarding but sometimes challenging role. Building Blocks can help you and your family.

With sessions tailored to meet your needs that take place in your home and involve the whole family, Building Blocks will:

- Support you to better understand your child's needs
- Enable you and your family to make positive changes together
- Help you to feel more confident as a parent

If you have a child aged 0-7 years old, please get in touch:
