

Dear Parents and Carers,

Mid Year Report

I hope that you found the Mid-Year Report for your child helpful. I regularly meet with teachers and the leadership team to look at the progress that children are making, in particular with English and Maths. These meetings enable us to talk about your children and ensure the lessons taught are helping your child to make the best possible progress.

Roofing Works

The roofers have made some good progress with this project. We are hoping that we can re-open the Winsford Avenue entrance fairly soon. There will be a meeting in the next day or so to discuss this. We will email you any further details. Thanks again for your patience.

Operation Encompass

There is a separate letter being sent out today which explains how schools are working with the police to safeguard children. Please look out for this letter via email so that you are informed.

Parking

One of our parents has been raising the issue of dangerous parking around the Brookside Avenue entrance with the Council. She has asked for us to include the following link, this can be used to report a parking issue and it takes no longer than a couple of minutes to complete. Please can we all park safely in order to ensure children are safe on their way to and from school.
