

Dear Parents and Carers,

Moving On Day

The children have spent the morning in their new classroom with their new teacher. Prior to this, I led an assembly where I discussed changes and how these happen many times in our lives. I went on to talk to the children how change can naturally bring excitement and worry and how best to manage these feelings. If your child is unsettled and is worried about change, then reassurance from you is really important. We will continue to support your child through transition.

The following table shows where the staff are located this year. We have a strong team of staff who are very hard working and are looking forward to the new school year. You will notice that we have moved staff around school quite a bit this year so there a few surprises. We have also welcomed three, new experienced teachers into school today. Miss Cole, Mrs Loysin-Stokes and Mrs Carlon. All pupils should bring home further information today. There are a number of staff meetings that go on in school to help support transition for all pupils. Phase leaders are typed in capitals.

Sports Day

You should have received a letter with further details about Sports Day on Friday 13th! With the current climate we will obviously be considering the hot weather. Fortunately our sports plan for each class is no more than hour so it will make planning for the heat slightly easier.

Stay cool everyone,

Yours sincerely,

SPORTS NEWS

World Cup fever has gripped the school following England's success at reaching the quarter-final of the tournament via a penalty shoot-out win over Colombia. The children - and staff - are getting very excited.

Last Thursday the Year 3 and 4 boys experienced a taste of tournament football themselves when they took part in the boy's football tournament here at our school. Mr. Coyle invited 4 other local Primary Schools as well as some coaches from Coventry City Football Club who agreed to referee the games and do some talent spotting. The St Christopher boys lost the first game narrowly 1-0 to St John Primary before beating Whoberley Primary by the same score. The team were then pegged back with a 'last kick of the game' equaliser by Allesley Hall Primary eventually drawing 1-1 before ending the competition with a narrow 1-0 defeat to the eventual winners - All Souls Primary. The tournament proved a huge success with a large crowd of parents enjoying the games played in beautiful summer weather.

Last week our children enjoyed a sporting 'double header' with Moseley Primary School including a cricket match and a chess match. It was the first time our school have played a competitive chess match. It gave the children the opportunity to showcase their chess skills. Mr. Coyle thanked Mr Downey for his support both on the day and in running our weekly chess club which the children love.

The last day for clubs is Monday 9th July except for Little Tricks they will finish on Friday 13th July.
