

4<sup>th</sup> June 2018 \* SUMMER TERM \* ISSUE 31

Dear Parents and Carers,

### Half Term

The children were keen to tell us about what they were doing during the holiday. It sounds like a number of you went to Wembley to see the play off final, some families went off to find sunshine and many others enjoyed the big music event in Coventry - whatever you did I hope you managed to get your feet up at some stage!

### Ofsted Inspection

As you know we had an Ofsted Inspection before half term. It was a short inspection which means one inspector for one day. We were expecting to be inspected this year, so we were pleased that we had the visit before half term. I was absolutely delighted with the children on the day. They behaved and worked as hard as they do every day and welcomed the visitor into school. The staff and governors talked to the Inspector about some of the wonderful things that go on in school. I want to say a sincere thank-you to all of you. We had good luck messages sent in and some lovely comments said to the inspector about the school from a parent perspective. Approximately one hundred parents responded to the questionnaire and almost all responded positively. No school is perfect, but we do work hard to be the best school we can, and this was reflected in the comments by so many of you. We should receive the report soon and we will we send a copy to you.

### Data Protection

Like me, you will have had so many letters and emails about data protection. Schools are massively affected by this and the work to manage the change is significant. If you haven't responded to the email sent by the admin team containing questions about how you want us to handle your data, then please do. If you don't respond it could mean you will miss urgent information using school comms.

### PTA Fete

Please don't forget that the fete is being held a week on Friday. A letter will follow this week with all the relevant information.

Yours sincerely,

Mrs C Robinson  
Headteacher BEd Hons. NPQH
