

PlayPals Newsletter

October 2019

We have had a brilliant start to the new school year at PlayPals. The children have been as fantastic as ever and it has been lovely hearing all about what they got up to over the summer. We have also now welcomed all of our new Nursery and Reception children to PlayPals, our new little ones have been taking the time to explore the setting, learn our routines and get to know all of the other children. All of the adults have been incredibly proud of our existing PlayPals children who have gone out of their way to help the new little ones and make sure that they are happy and enjoying themselves.

Our holiday club will be running during the October half term, we still have a number of spaces available so if you are interested in booking please speak to Robyn ASAP.

We will be holding stay and play sessions in December, the provisional dates for these are Tuesday 10th and Wednesday 11th December – further details to follow in next newsletter.

Reminders:

Please ensure invoices are paid no later than the payment date, if for any reason you are unable to pay by the payment date please speak to Robyn. As per our terms and conditions, repeated late payments can result in loss of PlayPals place.

When dropping off or collecting your child please sign them in/out on the register by the door. The register is in alphabetical order, please find your child's name and write the time and sign next to it.

Our door locks on a magnet system, when leaving please ensure you are closing the door completely as there have been a number of occasions where the door has been left open. There are always PlayPals staff inside however for safety reasons the door needs to be kept closed and locked at all times.

Please be aware we are unable to go back to classrooms after 3.30pm to collect belongings your child has forgotten. Any belongings left in classrooms will remain there until the next school day.

Staffing update

Maxine has unfortunately left PlayPals and started a new job at a pre-school with hours that work better around her family life.

We will hopefully be recruiting an Early Years apprentice over the next few weeks to join our team.

If for any reason your child will not be attending a session that has been booked at PlayPals please let us know by calling or texting us on 07720212417.

Missing items

Unfortunately, one of our children's Disney cards have gone missing (they were in a sandwich bag) when they were at PlayPals. Please ask your child if they have seen them and if they know where they are please can they return them to PlayPals.
