12th FEBRUARY 2020 * SPRING TERM * ISSUE NO. 20

Dear Parents and Carers,

It has been a tremendous week again with lots of enjoyable learning. One of the highlights in the week is seeing the children smiling from ear to ear heading to the chosen golden time group on a Friday. These activities are first and foremost fun yet they link in with all sorts of learning that children might otherwise not be able to do. Craft meets science last week were creating small explosions in bottles!

We have had traffic wardens patrolling the school entrances. I am aware that a number of parents have been fined for parking on yellow zig lines or double yellow lines. Thank you to all those who do park safely around school and are considerate to our neighbours.

SPORTS NEWS

They did it! Our amazing Y6 boys and girls that make up our Indoor Athletics Team ran, jumped and threw their way to title of The Best Athletics School in the Coventry West region for 2019 - 2020. An amazingly competitive final took place last Wednesday featuring the remaining four schools from over 40 schools. Our girls track team dominated the six races that they took part in, winning four and placing second in the other two. Our girls and boys field teams also dominated - winning a whole clutch of the events. The children's efforts and behaviour drew plaudits from all the other schools in attendance as well as the tournament organiser. The children were thrilled to return to school with their second medal, having won the qualifier, and the trophy. Many noted that our school name was already on the trophy having triumphed in 2017 too. Most of the team wish to pass on their skills and experiences to the KS1 children who will take part in a similar competition in March.
