29th JANUARY 2020 * SPRING TERM * ISSUE NO. 18

Dear Parents and Carers,

We have had another great week in school.

Year 2 SATS Meeting

Huge thanks to all our Year 2 parents who joined us for the SATs meeting on Monday. Almost all children were represented at the meeting which was incredibly pleasing.

The slides from the presentation will be emailed to all parents. Parents who were unable to attend please also come to the office for a pack of support to enable you to help your child.

School Learning and Activities

There has been some wonderful learning and activities going on in school. Some highlights recently:

Butterbeer making in Harry Potter Golden time Club

Designing and making an Anderson Shelter

Working through methods in Maths.

Enjoy the weekend,

Yours sincerely,

Mrs C Robinson
Headteacher BEd Hons. NPQH

SPORTS NEWS

This week our Year 5 & 6 Girls Football Team travel to St John Vianney Primary School for their second League Fixture of the season. The girls enjoyed a big victory in their first game which has given them bags of confidence. Many of the team are playing competitive football for the first time and are having great fun as well as learning about the game. Good luck girls.

Next week we have the final of the Sports Hall Athletics tournament. Our Year 6 Athletics Team are eagerly anticipating the contest. We will be up against some strong competition from other schools which should make for an amazing afternoon of sport.

The Cross-Country races are fast approaching. Mr Coyle is organising a trial as part of Running Club to select a Girls Cross Country squad. The girls will have the opportunity to train at Allesley Park in the lead up to the races.

Our Year 2 children had a fantastic time at the Gymnastics Tournament at Tribe Centre last week. At the time of writing our team were in second place overall and we were awaiting the results of the final days competition to see if they had qualified for the County Final. Out of 24 schools the results were: 1st Christ the King – 118.8, 2nd Grange Farm 118.8 and 3rd St Christopher – 118.4. Sadly, the team were pipped by Christ The King Primary. However, we wish Grange Farm and Christ the King the very best in the final.

Our clubs are up and running for this term and it is fantastic to see former pupils coming back to support us. This week we have had Tom and Mia helping with Boys and Girls football respectively. Rosie was with us recently supporting our Netball club. Rosie is going for her Duke of Edinburgh Award and we wish her every success.

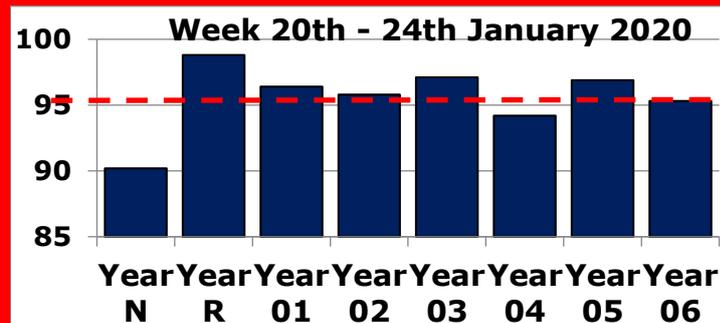

WEEKLY FOCUS

Assembly Theme: Chinese New Year

Musical Inspiration: String Quartet No.15 (Molto adagio) – Ludwig van Beethoven

Language Word of the Week: say hello in Punjabi: 'sat srī Akā' (sas-ree-karl)

ATTENDANCE BY YEAR GROUP

Pupil of the Week Awards

Pupil of the Week Awards go to:

Reggie - 1S: his enthusiasm towards our new topic and his many facts he shares with the class.

Shriya - 1W: fantastic effort across the curriculum. Shriya presents her learning beautifully and always tries her best.

Veso - 2C: listening to advice and producing fantastic work. Well done Veso!

Faith - 2I: working really hard in Maths. She has been working more independently and is remembering more facts.

Emmie - 3S: an excellent setting description using lots of adjectives and prepositional phrases.

Ezrah - 3M: a huge improvement in his times tables as a result of using Times Table Rockstars

Loudina - 4C: settling in well, growing in confidence each day. A pleasure to have in the class!

Freya - 4P: a mature and sensible attitude towards school. Freya always shows beautiful manners and follows the Golden Rules.

Oliver - 5L: his thoughtful and intelligent contributions during Science lessons.

Neriah - 5P: showing such confidence in our French Lesson and sharing her confidence with others.

Ruby - 6N: her excellent analysis of WWII propaganda posters.

Isabella - 6T: showing great mathematical ability when multiplying decimals by two digit numbers.

Well done to all of the above pupils
