21st APRIL 2021 * SPRING TERM * ISSUE 10

Dear Parents and Carers,

I hope that you and your family are well.

The children have happily returned to school after the Easter break. With the weather being as nice as it is, it is wonderful to see them all enjoying the outdoor environment and our huge field space.

Remote Survey

During lockdown I sent out a survey to you all to get some feedback on how we managed the last lockdown and remote teaching and learning. Many of you took the time to complete the survey - I read every single response. I was delighted to read the many positive comments and I have shared these with the staff. The senior team and governors will reflect on the survey and use your feedback going forward. Holiday Club

The children in Playpals had a great time particularly on the scrumptious chocolate day!. The new TV screen was greatly appreciated by the children who were singing and dancing along to music when I popped in. Huge thanks to Playpals staff for organising a great couple of weeks.

After School Clubs

Next week will be the first week for our summer clubs. We have a great variety of year group clubs even within the restrictions. If your child has a place and is not able to attend then please ensure you contact the office.

New Menu

The children are enjoying the new menu this week – there have been lots of clean plates!
If your child would like school meals, then it is not too late to organise this – please contact the office.

Let's hope we have a successful summer term without any closures.

Yours sincerely,

Mrs C Robinson
